Welcome, and thank-you for attending the 94th Annual General Meeting (AGM) for the Aspendale Lifesaving Club. As we sign off on another year I channel the thoughts of Mr. Arthur Edwin Cooper.

Mr Cooper is considered the founder of the Aspendale Life Saving Club (ALSC). It was his initiative and push for a lifesaving club in Aspendale. During the summer of 1926 -27 patrols commenced along the Aspendale foreshore with meetings and training being conducted at the Aspendale Park Racecourse Hall until the Aspendale Life Saving Club was formed and the opening of the lifesaving clubhouse in 1929. (Aspendale Lifesaving Club -Club History, 2006)

If Mr Cooper was with us today I have no doubt he would be full of pride to see the advancements that we have achieved and of course the new building design aligned to his vision over 95 years ago.

What a year it has been, challenging to say the least yet as always the dedication of all our volunteers paved the way in providing community safety on our beach, success in our competition teams, a redesigned Club2Club, and a growing and exciting nippers program.

As we dive into our 94th AGM we salute the end of an era and turn the page onto a bright and vibrant future of the Aspendale Lifesaving Club. Building works are scheduled to commence in September 2021 with completion scheduled for late August 2022.

The achievements announced in this AGM report show the level of community spirit, and dedication of our volunteers I would like to say a personal thank you to the 2020/21 serving committee Jo Bull, Louise Aston, Tony Laws, Melissa Horan, Nik Foon, Brad Smith, Erin Hall, Rod Azubel, Neill Blake, and Sarah O'Donnell. I'd also like to extend this thank you to all our volunteers, our Age Managers, Competition Managers, Sunday Club Helpers and our Parent Helpers we can't achieve what we have achieved without this support the key successes of the Aspendale LSC are dedicated to you all.

As President of the Aspendale Lifesaving Club it's an honour and a pleasure to see the continued growth within the community. This season has yet again been extremely rewarding and successful I look forward to seeing the continued development of such an amazing club.

Thank you to all the families, friends, and members of ALSC who attend each week and make this the greatest family club on the bay.

Thank you,  
Chad Henry  
President ALSC

## Treasurer's Report

PAGE 6

This is my seventh year as Treasurer and I have pleasure in reporting the results for the Financial Year 2020-2021.

Although our season was run under some pretty strict Covid restrictions we still had a great season financially, due to the hard work of all of our members. With the help of various grants totalling just over \$29,857 have been able to allocate funds to make some purchases as listed below. Some of these we have received funds for but items will be purchased over the next 12 months or so :

- \$5,000 – BSEF 19/20 – 3 epoxy rescue boards
- \$5,000 – BSEF 20/21 – Various first aid items including defib pads, battery and backpack, fully stocked first aid bag, patrol flags, 2x fuel cells and 4x waterproof radio bags and 7x bum bags for patrollies.
- \$1,500 – Kingston Council – Quick Response Grant – Various items for nippers competitions including belt reel, repair of reel, flag holder, flags and flag pole and tshirts
- \$990 – Dept of Jobs, Precincts & Regions Grant – Sun Safety – Purchase of nippers sun hats
- \$2,688 – ESRF Maintenance for Vehicles – various maintenance for boats and ATV.
- \$6,695 – Stronger Communities Programme Round 6 – 2021 – 3x Racing Mals.
- \$7,984 – Vic Health Reimagining Health Grants 2021 – YIP's (Youth Involvement Program). This grant will enable us to run this program which is aimed at retaining younger members aged between 14-17. This also included funds to purchase another 2 racing mals which this age group will benefit from.

We hope to continue to strengthen our cash position over the coming season through the pursuit of various grants and further growth in our memberships. We hope our members will support us next season especially whilst the club is being re-built. This may present some challenges but it will all be worth it once the new club is ready.

Memberships for 2021 were \$24,390 which was only slightly down from 2020 which was \$26,380.

We also renewed our term deposit with Bendigo Bank (including interest accrued).

Our (unaudited) cash flow and financial position are disclosed in the Profit and Loss Statement and Balance Sheet immediately following this report.

I would like to thank all the members for their support and look forward to this continuing for many years to come.

### PATROLS

The 2020/2021 season was certainly one for the history books. The last one at this current club, lockdowns, masks and social distancing this will certainly be a season to remember for patrol at Aspendale!

All of the Covid restrictions aside this season Aspendale Patrolling members logged a combined total of 2,240.25 hours an amazing effort yet again. We had most of our existing patrolling members continue on for another season as well as a bunch of new patrolling members join the team. All of our patrolling members should be super proud of the amount of dedication they have shown to the club and towards keeping the beaches of Aspendale safe for yet another summer.

It was great to have our end of year celebration this season and to say thanks to all our patrolling members and celebrate their efforts. It's a great night with lots of fun and friendly competition by all.

It is always great to see so many of our patrolling members each and every season showing up to various patrols, assisting with nipper's water safety and providing huge assistance again with our Club to Club swim. For another year we were complemented many times on Club to Club day on how great our water safety team was, it is so great to hear this from the swimmers and it is a great complement towards all our patrol members who assisted in this event.

With the new club coming in the next 12 months it is great to see so many patrol members returning each season as well as new members joining the team. It will be great to see so many patrol members join us for a very interesting season ahead but with a great reason to stay with the new club. The goal is to keep growing this number each and every season meeting our mandatory core patrols each and every week, 2020/21 was the first season in a few years were we had no patrol faults which was great.

To ensure we continue to do our best and meet our goals, over the 2021/22 season, we aim to continue to run multiple courses enabling the upskill of many of our patrolling members. With these courses we are able to up-skill as many of our current patrolling members and continue to provide ongoing safety to the community.

## COMPETITION

This year we were lucky enough to have 6 of our patrolling members flying the Aspendale LSC flag at a mix of Masters, Youth and for the first time in a long time at Seniors competitions, which was great to see. Congratulations to Brad T (Masters), Rodrigo A (Masters), Lachy T (Senior), Chester R (Senior), Lily S (Youth), Isabelle P ( Youth).

They all did amazing and we are super proud to have all of them representing our club. It is a great sign for what is to come as our club starts to make a real presence at these different competitions.

The results from these competitions are as follows;

**Brad T- Senior:**

- 1<sup>st</sup> Ski race
- 2<sup>nd</sup> Ironman
- 3<sup>rd</sup> Board race

**Rod A - Senior:**

Finals in all his events

**Lachy T- Senior:**

3<sup>rd</sup> 2km run open men

**Chester R- Senior:**

- 4<sup>th</sup> U19 Flags
- 4<sup>th</sup> 2km U19 Beach Run

**Lily S - Youth:**

- 2<sup>nd</sup> 2km run U15
- 2<sup>nd</sup> U15 Beach relay
- 8<sup>th</sup> U15 Flags
- 9<sup>th</sup> U15 Mixed beach relay
- 10<sup>th</sup> U15 Sprint

**Isabelle P- Youth:**

- 2<sup>nd</sup> U15 Beach Relay
- 8<sup>th</sup> U15 Flags
- 15<sup>th</sup> U15 Sprint
- 9<sup>th</sup> U15 Mixed beach Relay

Congratulations to Brad, Rod, Lachy, Chester, Issy and Lily on all your hard work.

## DEVELOPMENT CAMPS/PROGRAMS

After a year of cancelled camps last year, we were lucky enough this season to be able to have some of our Under 15s attend the development camp down at YMCA Camp Manyung down in MT Eliza.

Lily, Isabelle and Cooper all had a great time at this camp. We are looking forward to having more of our Patrolling members head down on these camps as both attendees and as leaders.

### OTHER ACHIEVEMENTS

This season we had 4 of our patrol members achieve awards at the Valuing Volunteers evening. It is great to have our Club represented each year at this event. Congratulations to Alex, Chester, Nik and Rod on your efforts.

Over this season we had a number of new Bronze and SRC patrolling members join our team, well done to each of these members on achieving your awards and we are looking forward to having you all as part of our team for years to come.

We were lucky enough this season to run a miniature version of our first ever pink patrol, after a covid lockdown put our original plans on hold. We are looking forward to celebrating this event next season, hopefully having a bigger and better celebration for this special cause.

Our 2021/2022 season is shaping up to be some-what a change to our previous years, with covid restrictions in place and patrolling out of shipping containers while the new club is getting built. I am really looking forward to working alongside our growing patrolling member base and navigating through this very exciting season ahead. I am sure we will yet again make it one of the best years and ensure we enjoy this very different season to come.

I would like to again say a huge thank-you to all of our patrol members for this season, without you this club would not be a lifesaving club. You all dedicate a lot of volunteer hours to assist the club and it doesn't go unnoticed. We appreciate every single hour that you all volunteer and we can't wait to hopefully see you all back for another great season in 2021/2022. All of our Patrolling members do such an amazing job volunteering their time over so many hours each and every season, even if it was only for 1 patrol that you could dedicate this season it makes a huge difference to the safety of everyone coming down to the beach, so thank-you to everyone for your help.

Looking forward to another massive fun filled safe summer down at Aspendale!

## Nippers Report

*Brad Smith*

So after having the long slog being in lockdown over winter, nippers were lucky enough to get up and going on the 6th of December.

Only starting a little later than normal, we put a few extra sessions in January to make up for lost beach time.

Given the restrictions on junior sport over the past 2 years we were very lucky to get a full nippers season in.

### NIPPER NUMBERS

We cracked 200 nippers 2 years running. We had 204 Registered Nippers which is great for the club. Lots of great feedback about the program and the volunteers that run each Sunday session/development squad training and attending carnivals.

### FRIENDLY CARNIVALS

We could only fit the one carnival in this year with Covid restrictions and reluctance from other clubs to participate.

Chelsea LSV nippers came and joined up for a Sunday morning friendly, not huge numbers but was good for our nippers to experience a carnival events and some interclub rivalry.

### STATE CARNIVALS

Unfortunately LSV run carnivals this year were restricted to age groups Under 12 and 13 only due to capacity numbers.

We had 8 nippers have a crack at the Mordialloc State Carnival. Was a great day and very well run, helped by the lesser nipper numbers causing chaos on the beach.

## Nippers Report

*Brad Smith*

On the March long weekend the Junior State Carnival was held. We had 5 nippers represent Aspendale, Summer (5th states), Jessie (3rd states), Grace (2nd states), Ruby (2nd states) and Kai on debut all had a great time, making new friendships and pushing their limits in conditions that they don't get to practice in.

The surf was brutal both days. It was an achievement just doing water events. Lots of nippers pulled the pin on events.

Highlights for the weekend:

Summer - Final Surf Race, quarter final sprints

Jessie - Semi Final Sprints

Grace - 4th Beach Flags, quarter final sprints, finishing board race

Ruby - Quarter final sprints, finishing board race

Kai - Quarter final sprints

Grace/Ruby - 4th Belt n Reel.

Team Events - Grace and Ruby joined Summer and Jessie in a couple of Under 13 4 person team events and held their own.

- Semi Final Beach Relay

- Final Aquacam

## SURF SPORTS TRAINING

It was great that all the other age groups got to have a carnival at Cosy Corner for the Under 9 to 11 groups. We had Clover, Abbey, Leila, Hudson, Jonah and Cooper venture down to Torquay on the 14th March.

# Nippers Report

*Brad Smith*

Highlights for the weekend:

Clover – 1st Board Relay, 6th Flags and 12th Board

Leila – 1st Beach Sprint, 4th Board, 4th Flags, 7th Swim (2nd overall in Under 10 girls)

Jonah – 6th Boards, 7th Flags, 10th Swim

Jonah/Cooper – 1st Aquacam relay

This year both Martin Whitney and Brad Smith both completed the Technical Officials Course and officiated carnivals at both Mordialloc, Warnambool and Cosy Corner.

Thanks to Peter O'Donnell who officiated during the season also.

Carnivals can't run without a huge amount of help. Over the Summer many parents assisted with transporting equipment, officiating, water safety, age managers, cheering and looking after the kids. Thanks to everyone who has assisted during the year.

## DEVELOPMENT SQUAD TRAINING

Development squad grew with numbers again this year. Could have been due to having great weather pretty much every Wednesday night. A big thanks to all the coaches / parents and water safety that helped out with development squad training.

# Nippers Report

Brad Smith

## UNDER 13 CAMP

The under 13 camp was a hit with 6 nippers going. By all reports Summer, Hamish, Stella, Grace, Camille and Finn all had a great time at Lake Dewar YMCA camp.

Great to see Nik Foon who was a leader at the camp enjoying in the fun.

## LAST DAY FUN

The last nippers for the year was a special one as it was the last in the current clubhouse before the exciting knockdown and rebuild of the new clubhouse.

The nippers loved some different activities such as writing on the nipper wall, ATV and IRB rides, tug-o-war and relays against the parents.

### AGE MANAGERS

It was great to see some new age manages on board for this season, we are always looking for more assistance. Thanks to all Age Managers for your efforts throughout the season. Kids love it when the parents get involved.

<b>Age Group</b>	<b>Age Manager/s</b>
<b>U6</b>	<i>David Irlam, Nigel Clifford, James White and Emily Corda</i>

<b>U11</b>	<i>Ben Pahl</i>
<b>U12</b>	<i>Jason Patten and Jamie Sweatman</i>
<b>U13 and 14</b>	<i>Lachy Treverton, Brad Smith and Rob Turner</i>

Thank you to everyone who helped at Nippers over Summer. We are very lucky to have so many people to thank! All the age managers, parent helpers, BBQ cooks, Committee and helpers in the clubhouse. A massive thanks goes especially to the water safety, without the water safety, nippers doesn't run so thanks to all who made it down whether it was all sessions or just a couple. We encourage all parents wanting to assist with nippers to find a role that suits them and go for it!

It's my last season as Junior Co-Ordinator and the last 7 years have seen huge growth in the junior program from 50 to now over 200 kids registered. It's been a pleasure to watch both my kids Cooper and Summer progress through the years from little under 6's to both very competent water people in any conditions and both have made lots of friendships through life saving. There are way too many people to thank and it takes a lot of people to run a successful nipper program, you know who you are.

The nipper program is in safe hands with Dave Irlam and Mark Heenan taking over from next Summer. Jump in and help out with nippers, your kids will get a lot more out of it.

## Club to Club Report

*Erin Hall*

We had yet another very successful Club 2 Club, with a total of 202 swimmer at this years event. We had another great year weather wise with amazing conditions for the event. With the challenges of running a Covid safe event for the first time, we would like to thank not only our many volunteers but the competitors who made it a great success, and were very accommodating to the restrictions we had in place. With no club rooms at Aspendale LSC this coming year it was great to be able to run the event with minimal use of the club rooms, and knowing that we are still able to run a successful event.

We would like to provide a huge thank-you to our major sponsor on the day Buxton Real Estate Chelsea. We would also like to give a huge thanks Mentone Life Saving Club for providing us with the large buoys we used on the day, these are a great help for the swimmers.

This event could not have been made possible without the help of so many of the patrolling and club members from both clubs, covering all parts of what it takes to make this event a success. We continue to each year get so many comments on how great the event is run and how amazing our water safety on the day is. This is a great achievement and makes a huge difference with our event continuing to be a huge success each year. I would like send a huge thank-you to everybody who put in time and effort to help make this event again very successful.

We are looking forward to being able to continue to grow this event each and every year. We love seeing not only locals but people from all over the state coming to compete in the swim each and every year.

We can't wait for another amazing and hopefully successful event in 2021. Make sure you all put the 12<sup>th</sup> of February 2022 into your diary for our event next year. We can't wait to see you all there for another great year. Thank-you again to everybody that contributed to the event.

Keeping our members safe during a global pandemic was the name of the game this season. Restricted training, facemasks, plastic gowns, performing DRSABCD from a distance were all new skills we had to learn. Responding to emergencies as first aiders put ourselves in the firing line for COVID-19. All our members stood up to the challenge and were able to adapt very quickly to the situation.

Aspendale LSC saw some new courses back in the training calendar that we haven't seen for some years, IRBC and IRBD. It's safe to say we have some very capable members ready to respond to emergency situations. ALSC once again supported other clubs in gaining their awards through our training.
